6th September 2017

Dear parents and carers,

Firstly, welcome back to the new school year and I hope you all had a great summer break.

I am delighted to enclose a copy of the Ofsted report from the inspection back in May. Unfortunately, Ofsted had problems in their system which delayed the issuing of the report and this should have come through much earlier.

The outcome of the inspection is that the school 'Continues to be Good'. This is a very positive outcome and just reward for the hard work and dedication of the staff. I am sure you will join me in saying well done to all concerned. We are pleased in particular with the comments relating to the 'exceptionally well-behaved' children, their 'confidence and self-assurance' and the 'nurturing and support' that is provided to all children. I hope you will take time to read the report and please feel free to ask any questions if you require further clarification.

Of course we won't be complacent in any way and we will continue to strive to improve all the time. We have plans to further develop the provision in the school and in particular we will focus on the Ofsted suggestions of using data to better challenge all pupils and improving the transition and progress between Year 1 and 2.

Once again, well done to everyone and thank you for your continued support.

Yours sincerely,

Douglas Dale
